

# Surbiton Festival

STREET MARKET: VICTORIA ROAD ON SATURDAY 26<sup>TH</sup> SEPTEMBER 2009

The ever-popular **Saturday Market** offers an exciting trading or marketing opportunity for **local businesses, other traders, craftpersons, organisations and charities**. Market stalls will be available, each with a 7' x 3' table (arranged in pairs with a space between for access) and a PVC waterproof awning, erected ready for use. (see overleaf for detailed specifications)

Like previous years, an improved stall design is planned to give better protection from showers. However, we cannot provide against driving rain – always a hazard for open-air markets, although we will be applying for better weather supported by the law of averages!

Please complete the booking form below and **keep a copy for your records**. You should **return it with your cheque** for the full amount by **31<sup>st</sup> August latest** to the address shown on the form. As set out overleaf we also need a copy of your insurance certificate and a risk assessment for your stall.

The market is **primarily commercial** and the selling of raffle tickets will **not** be permitted although a maximum of 3 tombola stalls will be allowed.

Kindly note that unless your form **clearly states** your goods or services on offer, your application **cannot be accepted**. If you have any booking queries, please contact **Neil Winckless** on **020 8949 6921**.
